

"You Complete Me" UFO Quilt Challenge for TMOG - 2024

Welcome to the "You Complete Me" challenge for the TMOG. This challenge is designed to foster creativity, collaboration and camaraderie among our members. In the challenge, you will turn over your UFO to another quilter, who will finish it. Here's how it works:

Your UFO - the piece you are donating:

1. Select a UFO from your studio. It can be a partially pieced quilt top, a quilt sandwich that needs quilting quilt blocks, or any other partially finished quilt project. UFOs of any size are welcome, however, consider something that is bigger than a couple of quilt blocks but less than a bed quilt. **Please do not bring something that is "precious" to you as it will change from your original concept and you will not get your original UFO back.**

2. Photograph it and send the "before" photos in jpeg format to Michele Vaughan (michele.j.vaughan@gmail.com) Please send those photos no later than **April 11, 2024** (before you turn in your UFO)!

3. Please bring your unfinished piece of work to the April meeting on **April 11, 2024**. Check in before the meeting with Michele Vaughan. When you check in your UFO, you will get a number.

4. During the April meeting, if you brought a UFO, you will get to choose a UFO that you will complete. #1 will choose first from the UFOs and so on.

Completing: For the work you have selected from another member:

1. Photograph the UFO before you start.

2. Take the UFO with you and complete it in your own style. Feel free to add, subtract, cut up, re-piece, re-work or embellish in any way you wish. We do, however, ask that you keep a portion of the work you are "finishing" intact from the original artist. You don't need to use everything you received from the UFO quilter, but do keep parts of it.

3. When you are done with that piece, please photograph it and send the "after" photo in jpeg format to Michele Vaughan (michele.j.vaughan@gmail.com). Please send the photos no later than **November 10, 2024**

4. Bring your "finished" piece to the November meeting on **November 14, 2024** for show and tell. I will have a printout of the beginning works to accompany your finished piece. A slide show will be made with side by side images.
